ICATBM 2019

International Conference on Advancements in Technology, Business and Management

Wednesday 27th March to Friday 29th March 2019
www.icatbm2019.com

About the Conference

International Conference on Advancements in Technology, Business and Management is to be held on 27th, 28th and 29th March 2019.The objective of the conference is to highlight contemporary issues within each of the thematic areas, Technology, Business and Management. The International Conference invites abstracts from researchers, academicians, practitioners, and students for peer review and for presentation at the conference. The conference maintains an inter-disciplinary focus and welcomes presenters and attendees with expertise in business, management, technology, engineering, ethics, law, humanities, and social sciences. Academicians and practitioners seeking a stimulating opportunity to learn and share the latest research, best practices, theories, and insights in the mentioned themes should attend. The conference shall be a platform for providing and receiving constructive feedback on research in progress.
